

Plainfield Planning Commission Minutes

Monday October 2nd 2023

Present: Will Colgan, Jesse Cooper,

Approval of Minutes: Jesse made the motion to approve the minutes of the last meeting and Will seconded the motion. The motion was approved.

Will said he was able to get a clean PDF of the zoning draft that he sent to Jesse and Karen and also a Word Document version that he can make changes to.

He can add the language that Karen suggested about having parcel be included in Home Occupation and Cottage Industry so cannabis cultivation can be included in those uses.

He suggested having Tier 1, and 2 indoor and outdoor cultivation be a use in all zones and Tier 3 through 6 be included as Light Industries and Cottage Industries.

The cannabis testing labs, warehousing and commercial wholesaling would be listed as Cottage Industries.

He will make those additions to the Word Document and send it out to the Planning Commission for comments and possible approval at the next meeting on October 23rd,

Meeting adjourned at 7:25
